The Japanese Iris

Edited by Currier McEwen for the Society of Japanese Irises. A Brandeis University book.

224 pages. 32 color photos. 7" x 10".

Published 1990 at \$29.95. (No longer in print)

\$15.00 US Postage Paid

The first definitive book in English on JI history and cultivation. Covers US hybridizers past and present from East to West coasts, current hybridizing trends, color photos and line drawings, soil preparation, mulching and pest control; display gardens and nurseries.

2015 JI Checklist

This 82-page, 8½"x11" book lists all Japanese iris registered through 2014, including awards. A PDF is available. It's free by email if requested with your book order, or \$10.00 if ordered alone.

\$20.00 US Postage Paid

SJI Slide Program on DVD

This DVD is for presentation to clubs or just on your private computer. The DVD includes a PowerPoint program of 168 slides, a PowerPoint Viewer program so any computer or laptop can play it, and a presentation program of notes on each slide in Word format that can be printed for the presenter or handed out. You keep it and share it.
